ACKNOWLEDGMENT

The Lebanon Daily News wishes to acknowledge and thank William Allen Zulker of Richland for his work on our monthly feature, "The Way It Was!:". Today marks the final publication of his work on the feature.

Two and a half years ago, Zulker approached us with a novel idea — to create a monthly feature highlighting snippets of our newspaper's and community's past. We immediately felt that the subject matter would be of interest to our readers, and a partnership was born.

Interestingly (and we didn't realize it at the time), Zulker was 83 years old when he initiated this new project. Through his tenure, he has shown tremendous dedication and a fair amount of ingenuity in researching and writing "The Way It Was!:". Readers of the LDN have enjoyed the feature and complimented us frequently.

The LDN wishes Zulker the best in the next iteration of his "retirement."

We are pleased to inform our readers that Zulker's torch has been passed, and "The Way It Was!:" will continue to appear on the first Sunday of every month.
