

## **Christmas 2016**

Christmas comes but once a year

Reminding us that God is near

For in His love His Son He gave,

Atoned for Sin, our souls to save.

We now rejoice in Life Anew

And try our best His will to do.

He gives us Peace, replaces Strife,

Instead of death, He gives us Life.

And so. At CHRISTMAS, once again

We raise our voices to PROCLAIM

With all the ANGELS long ago:

“CHRIST THE SAVIOUR” you should know.

**OPEN NOW YOUR HEART TO HIM!**
