

CHRISTMAS 2017

O Come All Ye Faithful, be Joyful, be Glad,
No longer Discouraged, Nor Hopeless, Nor Sad,
The Savior was born on this day long ago
To bring us Salvation, His Love, us to show.

Rejoice in this Wonderful News every day,
That others, though Lost, may soon find "The Way"
To Jesus, "The Truth" and "The Life", as He said.
For Christ is ALIVE, though once He was dead.

We look all around us this time of the year,
And lift up our voices and loudly we cheer,
For Christ is our Light, He shows us the way,
Surrounds with His presence, and love through the day.

The year had its Blessings, and Troubles as well,
With Illness unwanted - a story to tell; (Hi Goggy)
But Joy at the birth of a cute little Gal,
Whose Sister is glad: she now has a Pal. (that rhymes)

That's all to be said by this aged OLD MAN, (91?)
With WIFE standing by - His Number One Fan,
Together we tell you in words LOUD and CLEAR
We LOVE you and wish you a MERRY GOOD YEAR.

MERRY CHRISTMAS

Goggy and Pop Pop
